

Lesson: Warm and Cool Water Color Leaves

Grade: 2

Duration: 1 class period (50 minutes)

Objective:

- Students will identify warm and cool colors
- Students will learn and use contrast

Activities:

Day 1:

1. Students will watch a color song about warm and cool colors.
2. A discussion on contrast will follow. Students will view examples.
3. Students will trace a large leaf in the middle of their paper.
4. Students will use water color paints to paint their leaf and their background with contrasting warm and cool colors.
5. Papers will be put on the drying rack and clean up procedures will begin.
